### 3. HOMEPAGE LONG-FORM SEO COPY

Use this **below the fold** on your Home page. Google Sites LOVES long-form content.

---

## Top-Rated Junk Removal Near You | Fast, Easy, Affordable

Lifted Up Junk is a locally owned junk removal company providing fast, friendly, and affordable junk hauling for homeowners, renters, property managers, and small businesses. We make it easy to clear out unwanted items, reclaim your space, and enjoy a clutter-free home or workplace.

Whether you're dealing with old furniture, moving out, cleaning your garage, or handling a rental turnover, our team handles all the heavy lifting. You point—we pick up.

We offer transparent pricing, same-week availability, and respectful service from start to finish. No hidden fees. No hassle. No judgment.

---

## Full-Service Junk Removal for Homes & Businesses

We remove almost anything that isn't hazardous, including:

### Household Items

Couches, mattresses, dressers, appliances, TVs, electronics, rugs, boxes, toys, clothing, and more.

### **Garage & Outdoor Items**

Yard debris, tools, bikes, shelving, grills, scrap metal, car parts, storage bins, and trash.

### **Move-Out / Cleanout Services**

Attics, basements, rental turnovers, estate cleanouts, office cleanouts, and storage unit cleanouts.

Every job includes loading, hauling, cleanup, disposal, and donation drop-off when possible.

---

## **Eco-Friendly, Donation-Focused Junk Removal**

We believe in responsible removal. Items that can be reused are donated. Materials that can be recycled are recycled. Only true trash goes to the landfill.

This approach saves you money, reduces waste, and supports families in need.

---

## **Why Homeowners Choose Lifted Up Junk**

- Fast, responsive communication
  - Transparent, volume-based pricing
  - Locally owned—not a national franchise
  - We treat your home and belongings with respect
  - Friendly team, faith-driven values
  - Donation and recycling focused
- 

## **Service Area**

Lifted Up Junk proudly serves:

*[City + nearby cities and counties]*

If you're nearby but not listed, reach out—we may still service your area.

---

## 4. GOOGLE SITES SEO SETTINGS GUIDE

Here's where to paste things:

### A. Page Titles + Meta Descriptions

In Google Sites:

1. Open website
2. Click **Pages** (left sidebar)
3. Click the 3 dots next to each page
4. Select **Page Settings**
5. Add:
  - **Custom Page Title** → paste the SEO title
  - **Custom Description** → paste the meta description
  - **Custom Path (URL slug)** → keep short
    - home → /
    - services → /services
    - about → /about
    - faq → /faq
    - contact → /contact

### B. Global Site SEO

Go to **Settings** → **Viewer Tools** → **Search Engine Settings**

Paste keywords into the “Site description” or add them within your homepage text.

## C. Header Tags

Google Sites allows:

- Title
- Heading
- Subheading
- Normal text

Make your big section headers **Heading** tags (for SEO structure).

---

## 5. GOOGLE BUSINESS PROFILE (GMB) DESCRIPTION

Paste this into your Google Business Profile listing:

---
