---

## Construction Debris Removal

**Description:** Clean removal of renovation debris, wood, scrap metal, drywall, carpet, and non-hazardous materials.

**Price:** Based on volume.

---

## Cleanout Services

---

### Garage Cleanout

**Description:** Complete garage cleanouts to help you reclaim your space. Includes sorting, loading, and sweep-up.

**Price:** \$150–\$450+

---

### Attic & Basement Cleanout

**Description:** Removal of old boxes, furniture, storage items, and clutter from tight spaces.

**Price:** Varies by project.

---

### Home Decluttering & Cleanup

**Description:** Whole-home decluttering support for moves, spring cleaning, or downsizing.

**Price:** Custom quote.

---

### Estate Cleanout

**Description:** Sensitive, respectful handling of estate cleanouts. We remove items, donate what can be reused, and help families navigate transitions.

**Price:** Custom quote.

---

### Storage Unit Cleanout

**Description:** Fast cleanouts to empty storage units and stop ongoing rental fees.

**Price:** \$150–\$400+

---

## Eviction & Rental Property Cleanout

**Description:** Ideal for landlords needing fast turnover. We remove left-behind items, garbage, furniture, and debris.

**Price:** Based on unit size.

---

## Office & Business Cleanout

**Description:** Removal of desks, chairs, filing cabinets, electronics, and business junk for small offices and retail spaces.

**Price:** Custom quote.

---

## ★ Specialty Services

---

### Small Demolition & Tear-Down

**Description:** Removal of small outdoor structures such as sheds, playsets, swings, above-ground pools, and fencing.

**Price:** \$150–\$600+

---

### Donation Pickup Alternatives

**Description:** If charity organizations won't pick up your items, we can haul them away and donate them when possible.

**Price:** Varies by load.

---

## Recycling Pickup

**Description:** Responsible recycling of metal, electronics, appliances, and usable materials to reduce landfill waste.

**Price:** Based on item type.

---

## Bulk Item Pickup

**Description:** Single or multi-item disposal for oversized junk that won't fit in regular trash service.

**Price:** \$50–\$150+

---

## Curbside Junk Pickup

**Description:** Discounted pricing when you place items curbside or outside for quick pickup.

**Price:** Reduced rate.

---

## ★ Surcharges or Not Accepted (Google Requires Clarity)

Include this in GBP notes:

- Hazardous materials (paint, chemicals, oil, gas, asbestos): NOT accepted
- Liquid waste: NOT accepted
- Biohazards: NOT accepted

(This boosts trust and reduces bad leads.)
